SPA EXPERIENCE

Spa Session

90 mins | £20 or add-on for £10 to any treatment
(includes a bath towel, robes will be provided to those having treatment only)
Robe Hire | £5 Additional Towel Hire | £2

Offering a truly refreshing experience, our selection of thermal and hydro experiences provide 'hands-off' therapies to cleanse, rejuvenate and refresh the mind and body. Step inside, relax, let the heat and water soothe you and leave the daily stresses far behind.

Thermal Experiences

Caldarium

Stone floors, walls and curved stone seating is heated to create a calming and purifying effect, allowing the body to heat up gently in a warm, dry environment.

Large Sauna

Heated to a temperature between 80-90°C with minimal humidity, this room creates a dry and intense heat to give a purifying effect on the body. This will cleanse and detoxify the skin, relieve tired aching muscles and joints and increase circulation.

Small Sauna

This Finnish Sauna is heated to a medium temperature of between 70-80 degrees which creates a dry and intense heat. Effective as a warm down after a workout, aiding in the recovery of muscles and the removal of toxins.

Steam Room

Feel the tension slip away as a dense visible humidity stimulates extra blood circulation in your body.

Hydro Experiences

Vitality Pool

The water temperature is set to a soothing 35-37°C and the pool offers a selection of unique features including air tubs, swan neck fountains, air loungers and water jets. The vitality pool provides many benefits including cleansing and detoxification of the skin, relieving tired and aching muscles, increasing circulation and relaxing the mind and body.

Murad.

MURAD FACIAL TREATMENTS

Murad Method™ facials are a new and entirely personalised concept in high-performance professional skincare. Developed with Dr. Murad's philosophy that no two skins are the same, unlike traditional facials that are developed to address a single skin concern, Murad Method™ facials are designed to make skin as healthy as it can be.

Murad Method Facial

60 mins | £70

The ground-breaking combinations and techniques include touchpoint massage techniques which have been designed to help relieve stress and promote happiness. Revitalise your skin, relax your mind and see instantly noticeable results whilst targeting your multiple skin concerns.

Murad's clinically proven facials are tailor made to suit your individual needs combining the most advanced ingredients with the latest skincare technology for instantly youthful, radiant, flawless skin.

The system brings Murad's renowned "Inclusive Health" philosophy to life to achieve healthy skin from the inside out.

Express treatment

Murad Express Peel

30 mins | £45

Maximum results, minimum downtime.

The Express Peel from Murad gives you immediate visible results in 2 phases.

Phase one boosts cellular turnover to minimise lines and wrinkles.

Phase two includes an AHA peel to exfoliate and resurface the skin equalling more radiant and youthful skin.

After a prescriptive consultation, you will receive an intense cleanse, AHA and BHA remove excess oils and dirt while the bespoke glycolic peel is applied to reveal a fresher look.

SPA MASSAGE

Full Body Massages

60 mins | £70

Swedish Massage

Our exclusive signature massage will help to reduce stress and create a sense of rejuvenation. We've combined the best massage techniques with customized pressure to create an unforgettable experience.

Lava Shell Massage

Warm, smooth shells are glided over the body with varying pressures, techniques and precision. Hydrating oils moisturise the skin, as the shells help to revitalise and rebalance the body and mind. The indulgent and truly pampering Lava Shells Relax Body Massage offers an idyllic treatment combining the warmth of the shells with deeply relaxing massage techniques to create a sense of balance to the entire body and mind. A wonderfully tranquil massage to ease away all tension, knots and stress.

Deep Tissue Massage

Alleviate stress, ease aching muscles, and revive the senses with this powerful, customised massage. We will target the deeper layers of your muscle tissue and help to release the chronic patterns of tension in your body, working on your individual needs and reduce specific stress and muscle tension. Deep tissue massage may cause you some tenderness during or after the treatment, however, will feel better within a day or so post treatment.
