

PRIMARY COLOURS!

The lady above has a beautiful **RED** hat on.

She has a bright **YELLOW** skirt on.

Her jacket is **GREEN**.

GREEN is not a **PRIMARY COLOUR**. What other colour did the artist have in his palette to make the **GREEN**?

Can you paint a picture of someone wearing all **THREE PRIMARY COLOURS**... and mix up a **GREEN** colour to use as well?

Artwork: *The Lady with a red hat* by William Strang
